Cass City

Hello Everyone,

Welcome to Cass City, District 24. I hope everyone had a good month with all the cold and snow. Since the last area assembly, I've been busy, things have really started to pick up. We attended the Statewide Service on the 23rd of January. Thanks to all area 32 members for being there. I've received the last of my conference kit, if anyone else wonders why you received one, that is so you will be informed in the event something happens to the delegate, alternate or the area chair.

I met with the other Michigan delegates and we are willing to help each other in any way we can. We will be meeting again at the Delegate/Past Delegate Conference next Friday in Detroit.

Our area has received the group information sheets, and all of us in area 32 service need help to make sure the group information is correct and get the sheets returned to the office by May 2nd in order to be in the next AA directory. I have passed out the group sheets to the DCM's.

My conference buddy called last week, Randy M from Saskatchewan, Canada, and just as I was told by my Past Delegate Dennis, he stated that he would reach out the hand of AA, that he would be there for me whenever I needed his help.

I hope we can get every group in area 32 to have a GV Rep, in this months Grapevine there are some great articles about getting sober after sixty years old. 459 had some good sharings from 48 delegates representing 35 countries at the 18th WSM in NY City. The WSM meets every other year and alternates between New York and other countries other than the U.S./Ca.

Our area is keeping busy with workshops, mini-conferences and planning events. Keep up the good service work.

Countdown to Toronto, registrations are coming in from over 100 countries, they are expecting a turnout of close to 50 thousand attendees.
