

**Delegate Report  
District 24, Cass City, MI.  
February 5, 2006**

Hello Everyone,

Welcome to District 24 Cass City and the Thumb Area. For the last month we've been busy with area functions, workshops, planning meetings, and central office meeting. For the first time there was a conference call that included all the Panel 55 and 56 Delegates from the East Central Region, Bob M., our Regional Trustee and Valerie O'N from the GSO Regional Forum desk in New York. The call was a sharing of ideas about putting on the special Hispanic Forum this fall in Wisconsin, with Central Michigan Area 32 participation and support. After some minor set up problems the call worked out well. It seemed to turn into an AA business conference meeting. There was some concern about the lack of participation in carrying the message into prisons in the Jackson area. I met with Art M our corrections chair and was clearly informed about what was really going on as for AA carrying the message behind walls. Thanks Art M. for being well informed on the Jackson Area Corrections.

There is quite a lot going on in our area and elsewhere this time of year. We will be at the Delegates/Past Delegates Conference in Kenosha, Wis. Next weekend. We're getting ready for the Mock Conference March 25th in Mt Pleasant. Alternate Delegate Larry S. and I were in Dist. 4 last Saturday for a workshop, this month we will be in Flint Dist.12 for their workshop.

A letter was sent to Rick W. supporting Area 15's proposal for a pamphlet for Central Offices and Inter-groups. The request for support came from our Dist.4 and the Lansing Central office. This was approved at our CMIA meeting in St Johns. Rick W said it would be part of the conference background material. I will be attending the 56th General Service Conference April 23-29 In New York. The Theme is Sponsorship, Service and Self-Support in a Changing World. Rick is doing a good job in keeping us all informed. I want to thank all of you for standing on the front line for AA. Whatever your service area it is valued and appreciated. Lets all make an effort to reach out to those districts that don't have regular representation here at CMIA. Remember, carry the message to all.

I have buttons for the 54th State Conventions and the flyers.  
Birthday envelopes are here for your yearly contributions.
