

DELEGATES REPORT
District 12 (Flint-Genesee County)
September 10, 2006
Flint, Mi

Hi Everyone,

Welcome to my home district and thanks to Flint Area Unity Council for hosting this assembly. Over the last months we have been able to attend several events. Sober Saturday and CMIA in District 28, The 54th Mi State Convention-East Central Regional Conference in Troy. Over 1,000 A A's. Al-Anons, Friends, and guests spent the weekend fellowshiping, attending workshops, chairing, speaking on panels, and visiting the archives and displays. Our ECR Trustee Bob M. gave his report from the Board meeting he'd just returned from in New York City. Bob also met with the Delegates from the 5 states to hear from them on what is going on in the Region; He also hosted a fellowship breakfast on Sunday. The three Michigan Delegates chaired the Big Meetings on Friday, Saturday and Sunday; We had fun and stayed sober. Some Areas have already elected their panel 57 Delegates.

Archives-Our archivist Amy F. states that 27 of the 69 films sent to Vidipax for restoring are back in the Archives.

GSO- Greg M reports that our lease has been extended to 2018. We've been located there since 1992 with rent at \$18.03 per sq ft. and that includes the 11th floor for GSO and the 10th floor for the Grapevine offices. The 55th GSC approved replacing the carpet that has been down since 1992 –cost \$274,000. I have the printout of all group contributions for the first six months. Class A Trustee Vince Keefe reported that in 2005 43.2% of 58,067 listed groups sent in contributions. Our Area –28% in 2005, 31% in 2006 up 3% but we have a long way to go to be self-supporting.

Passing of Delegate- ECR Trustee Bob informed us that past Delegate Jack C., Panel 44 Area 54, passed away and was buried Sept 4th. Also Past Delegate Allen (Skip) Panel 54 Area 55 had surgery and part of his lung was removed because of cancer.
