

DELEGATE REPORT
SEPTEMBER 9,2007 C.M.I.A.-AREA 32-DIST. 26 HOUGHTON LAKE

Hello Everyone,

I would like to welcome everyone here at Houghton Lake, District 26, for our monthly Area 32 Assembly meeting.

Once again the month of August was busy for the Alternate Delegate, Mike K and myself. At this time we would like to thank the Districts who have extended an invitation to us, allowing us to share in our A.A. service experience, and allowing me to share my experience at the 57th General Service Conference. We have several more requests in the coming months; we are looking forward for the opportunity to visit your Districts.

I also attended a Workshop in Jackson (Dist.2); the Workshop was on "Sponsorship/The Twelve Traditions". It was my pleasure to serve on the Sponsorship Panel; we had a great turn out and a lot of good fellowship.

2007 Triennial Survey Questionnaires: Seven groups in Area 32 were chosen at random to participate, five of the seven chose to participate. I would like to thank everyone who participated and helped make the Survey a success. I turned all completed Survey forms into the General Service Office before September 1,2007 deadline. We can expect a new 2007 Triennial Survey pamphlet to be available by early next year.

Special Needs Committee: I was in contact with Chuck W, Delegate, Area 34 Western Michigan and Eastern UP, Chuck ask if I thought Area 32 would support a request by Area 34 to have an Agenda Item at the 58th General Service Conference, asking the Conference to establish a Special Needs Conference Committee. I told Chuck I would bring it up at the next CMIA-Area 32 Assembly meeting, get the sense of Area 32 Assembly and than get back with him.

Grapevine/La Vina: La Vina's first anthology- La Vina magazine, the Spanish-language International Journal of Alcoholics Anonymous, also Known as (our meeting in print), just published an Anthology of Articles, fifty-three articles in all, they chart the evolution of La Vina magazine over its first ten years. The book is entirely Spanish.

District #6-Lansing/St. Johns: I was contacted by e-mail by Anne S. in reference of getting District #6 back in an active roll in Area 32. I told her I would give them all my support. It is great to see a "Dark District" become active again.

At this time I would like to thank Dist.26 for hoisting today, great service work!!! See everyone in Bay City-Dist 22 on October 7th, 2007.

In Service,

Larry S- Delegate Panel 57
Central Michigan-Area 32
