

C.M.I.A.- AREA 32 DELEGATE REPORT

February 03,2008
Rives Junction-Dist. #2

Hello everyone,

I would like to welcome you to the C.M.I.A. meeting, being held here in Rives Junction, I hope everybody is surviving the wonderful winter weather.

General Service Office: I received an E-mail from Bob M., East Central Trustee, in regard to Gregg M., G.S.O. Manager, Gregg M. has sent a letter to the AAWS Board and has told the GSO employees of his intention's to retire no later than December 31, 2008. Leonard Blumenthal, Chairman of the General Service Board has been in contact with Tom K., Trustee Nominating Committee Chair. They have been working on establishing a Search Committee for a replacement. This process will most likely take up to nine months to a year to complete.

58th General Service Conference: Our Area member Jack W. (Past Delegate, Past Trustee) made a request that I send the following suggestion for an Agenda Item to the 58th G.S.C., as follows:

“A request that we combine the material “ORDER” forms, to include all AAWS, Inc. published material and all A.A. Grapevine/LaVina Inc. published materials.”

Reasoning to back up the request, savings in handling, mailing and possible printing, also make the order form for both entities more available to all members.

Regional Forums: The two most recent Forums broke attendance records in their Regions. In Denver at the Southwest Regional Forum, 803 enthusiastic members joined together for a wonderful October weekend of sharing. In Arlington Heights, Illinois, just outside of Chicago, 563 active A.A.'s gathered for the East Central Regional Forum in November 2007.

Public Information: Video submissions for the “ A.A. Videos for Young People” project are still being accepted after the deadline. A new deadline will be set early this month.

Mike K., Alternate Delegate, Area 32, and my self went to the Statewide Meeting in Lansing, January 27, 2008. We are looking forward to the Delegates-Past & Present Conference in Indianapolis, IN.

In closing I would like to thank Rives Junction, in Dist. # 2, for hosting C.M.I.A. this month, and looking forward to seeing everybody in Pinckney next month.

In Service,
Larry Sanford-Delegate Panel 57
Central Michigan-Area 32
