

C.M.I.A.- AREA 32 DELEGATE REPORT

March 02, 2008
Saline, MI - District 4

Hello everyone,

I would like to welcome everyone to CMIA-Area 32 meeting being held here in Saline, Dist. #4.

Before, getting into normal business, just a reminder to remember Nell Wing, in our prayers. She was Bill W.'s first secretary and assistant; she passed away one year ago, February 14, 2007.

The month of February has been another busy month for me, between mail, e-mail and phone calls. I am very busy preparing myself for the general service conference next month.

Mike K., alternate delegate, several other members of area 32, and myself were in attendance at the "ECR Delegate Past & Present Conference", held in Indianapolis, IN. The whole weekend is great training for the first year delegates, and a good refresher course for the second year delegates.

We also were in attendance at the March Spring Roundup, held in area 33, in Dearborn, MI, our past delegate Dennis S. and others from area 32 were there.

I received the final report on 2007 group contributions to the general service office. We held our own at 42% of the groups in our area 32 making contributions. That was the same percent as in 2006. I would like to thank all the groups that were able to contribute. I try my best to keep donation envelopes for G.S.O. and the birthday envelopes available at all area assemblies.

Local Forums: International Conference of Young People in Alcoholics Anonymous (ICYPAA), has requested to hold a "local forum" in conjunction with their conference. (if it works, maybe something to look at in the future).

A.A. Videos for Young People: to date the public information committee has received only four valid submissions. They have extended the project deadline date to september 1, 2008; video submissions will continue to be accepted beyond that date for possible future P.I. Projects.

Corrections Correspondence Service: great news! In the first month of 2008, 221 new links were made, bringing the male inmate waiting list down to two, also slightly over a third were new female inmates.

In closing, I would like to thank everyone from District 4 that helped hoist the meeting today, and thanks to all of you for allowing me the pleasure of humbly serving you as your Area 32 Delegate Panel 57 - Central Michigan.

In love and service,
Larry S.- Delegate Panel 57
