

C.M.I.A.- AREA 32 DELEGATE REPORT

June 1, 2008

St. Johns, Michigan, District 6

Hello Everyone,

I would like to welcome everyone to St. Johns, District 6, hope everybody had a safe, and sober Memorial Day Weekend.

I would especially like to congratulate District 6- St. Johns & Lansing Area for once again setting a good example by becoming active in Area 32. The Area needs your support and we are here to support District 6.

Mike K., Alternate Delegate was unable to attend today's Area meeting, due to an out-of-town wedding he was committed to. I still would like to thank Mike for filling in for me, not only at the May Statewide Meeting in Lansing, but also at last month's Area 32 meeting in Corunna, District 10.

The month of May has been a very busy month, having just returned from the 58th General Service Conference, I have been preparing my Conference report along with the other duties of the Area Delegate.

In the month of May, my wife and I went to the State Al-Anon Convention held in Bay City, several of our past Delegates and their wives were there also, along with other A.A. members.

I gave my first Conference report on May 22, 2008 in Tecumseh, MI., District 2.

Last weekend Mike K., Alternate Delegate and myself were in attendance at the "Northern Intergroup Spring Roundup" held in Grayling this year. They had a good attendance and I was honored to serve as a Panelist for the first as an "Old-Timer".

Last Thursday I had the pleasure of driving up to Owosso and had lunch with Jack W., who happens to be my Service Sponsor.

My trip to the 58th General Service Conference went well, I was much more relaxed than I was my first year. By the end of the week we had approximately 90-100 hours of meetings, presentations and workshops.

The Conference is well structured and accomplished a lot of work in a short period of time. We had many Recommendations for Advisory Actions, plus, many Additional Considerations and fifteen Floor Action. I will not go into detail, as I am scheduled to give a complete Conference report today.

In closing, I want to thank Ron A., Past Delegate for doing the GSR Orientation today, in the absence of Mike K., I would also like to thank District 6 for hosting CMIA - Great job and Great service work!!!

Once again, I want to thank everyone for giving me the opportunity to serve as Delegate for Area 32 and Alcoholics Anonymous Worldwide. It has been a Joy, a Pleasure and a very Humbling experience to serve this God-given program. God Bless, see you in Gladwin next month.

In Love & Service,

Larry D. Sanford-Delegate Panel 57-Area 32 Central Michigan
