## MICHIGAN MOCK CONFERENCE

There are no dues or fees - no cost to you!

The first Michigan Mock Conference was held in 1998 and sponsored by three Michigan delegate areas who meet quarterly as the Statewide General Service Committee: Area 33 Southeastern Michigan, Area 34 Western Michigan and Area 32 Central Michigan. The Statewide General Service Committee sponsors the annual Michigan Mock Conference (MMC).

The Michigan Mock Conference is intended to aid both newly seated delegate(s), and members of the Fellowship in their understanding of Conference atmosphere and Conference procedures.
