M. from Jackson the new Treatment Facilities list which she made up for us. Dave B. said he still bridges the gap at Washington Way facility in Jackson at the Friday morning Big Book Study. We had one new today, Stephan K. from Ypsilanti. His home group is "Principles before Personalities", in Ann Arbor. We had three members present. We closed with the Lord's Prayer.

CPC Committee: Chuck C., email: CPC@cmia32.org

One in attendance. Made up some more CPC mini kits for those interested. Three people saw me sitting alone and stopped by to keep me company.

Public Information: Stanley P., email: PI@cmia32.org

We had a discussion on getting information out to schools, hospitals, libraries, and etc. through pamphlets, books and GSO guidelines. Also PSA's to radio stations and T.V. and setting up display racks. P.I. Committee voted to come to CMIA early to set up a display rack by having anyone here that wishes to help put one together. The committee would like to invite P.I. chairs and committee members from districts to attend CMIA P.I. committee. The committee talked about closed captioned on PSA's and with the help from special needs committee the question was answered. We had a visitor from AAWS Board of directors (GSB P.I. committee) George M. setting in on the meeting (welcome). The committee is looking for an alternate chair.

Archives: Jim D., email: Archives@cmia32.org

CMIA started in 1951. We still need minutes from the 1960's and early 1970's to complete our collection. If you have any access to any of these please let us know. We are putting together a short history of CMIA to take to the International convention in Toronto. GSO Archives committee will have a place to display these. We are your archivists in person only. The stuff we bring each month belongs to the Archives Committee located in Lansing, MI. Thanks for your support.

Corrections: Art M., email: Corrections@cmia32.org

The CFC meeting opened with the Serenity Prayer followed by old and new business. Old business included discussion about how funds accumulated in the CFC account each month should be used so that funds are used in accordance with a "meeting of conscience" by all in the committee. After discussion the matter was deferred for additional discussion at the July IntraArea meeting. In addition, a call was again made for a committee Secretary and was answered by DeAnna R.. The current two-year term of service ends December 2006. New business included discussion about CFC participation at the 53rd Annual MI AA Convention to be held August 26, 27 & 28 in Mt. Pleasant. DeAnna R again answered the convention service call for a panel member/speaker. A call was made for the committee members to be present at the CFC table where sale of materials for correction facility service will take place. Those willing to serve were asked to announce this to the Chair by June 31st for planning purposes. Rich who also distributed copies of the forms and contacts for this worthwhile CFC service then made a featured presentation about the "Pre-Release" Program.
