The CFC meeting opened with a welcome and reading of the purpose of the committee. After reports from the secretary, discussion about treasury matters and distribution of Pre-Release materials and requests, the featured presentation about the Grapevine and how it can be used in corrections service was made by Ron B. Chairman of the Grapevine

Committee for Area 32. Ron discussed the value to inmates of this "meeting in print" that can be purchased by district CFC people for distribution to inmates. He brought one hundred of the special edition of the Grapevine that is bound without staples for corrections distribution and those copies were shared among the CFC members in attendance. A vote was taken to reimburse Ron for the expenditure he made for this special edition of the Grapevine. The meeting closed with discussions about use of funds in the committee to be discussed again at the August IntraArea in Alpena and the featured presentation at that meeting. Approximately 22 people were in attendance.
