DELEGATE'S REPORT: Don McL Panel 71, Area 32 (District 2) (517) 416-9635.

delegate@cmia32.org Rapidly approaching the delegates busy season. January 23rd I attended the statewide service meeting. After the meeting each area received a check for \$430. Mock conference is still in the planning the meetings are the second Saturday of each month except for February we have a bonus meeting on the 26th to make sure we are as prepared as possible. This event is a vital. This is your opportunity to inform the delegate of how you want him to vote on a particular topic. Flyers that were sent out were incorrect, they have been corrected and sent out to your DCMs. Please email me with your thoughts and feelings so I will know how to vote.

ALT. DELEGATE: Mark M Panel 71, Area 32 (District 4) (517) 861-6379

altdelegate@cmia32.org Attached. At today's GSR orientation and the general service meeting there were 24 in attendance including ten GSR's and of those 8 were first time attendees. At today's meeting we covered the second tradition and second concept of World Service. We also heard from our corrections committee chair Lori C. about the service aspect of the corrections committee and what is currently taking place during the pandemic. Finally in the meeting a new concept was tried- a segment called "sobriety university" (where no one ever actually graduates) but it entails different aspects of what are more than just meetings in AA and what GSRs can thus bring back to their groups in some form. Finally, the biennial survey replies have been compiled and here are the results (in percentages) of those who responded. (attached).

Stanley P. posed a question. Why are we not using the yellow sheet guidelines when people rotate into office? This body should also supply a notebook with guidelines for a much smoother transition. Guidelines from GSO and the notebooks are still in existence.

COMMITTEE REPORTS:

LITERATURE REPORT: Mike K (District 2) (517) 403-2764 literature@cmia32.org: Looking forward to rotating out. Pre-COVID literature sales average between 1,200 and \$1500. Last time I was here I did about \$2000 worth of sales. Today I just barely made 400 bucks. So this COVID business has really got sales down. \$2,200 available. John is interested in taking literature position.

ARCHIVIST: Jim D (District 6), (517) 694-9753. For the past two months there has been no events to take a display too. Still a lot of work to be done sorting through material and putting on plastic sleeves on notebooks and paperwork. On the archives table there are forms to fill out for your group's history so please help us with your group's history. There are samples available on the table, thank you for your support and interest.

ARCHIVES COMMITTEE: Tim H. (District 6) No report

CORRECTIONS: Lori C. Past Delegate, Panel 69 Area 32, (517) 414-7662

loriconant01@live.com nine members present at the meeting today. When literature

request from District 2 for \$300. Speak with Kate or Mack for information on how to get literature into the corrections facilities. We did get questions concerning how to get literature into I.C.E. detention centers. Upon further investigation it has not been done. Also there are no facilities in area 32. Area 33 has two area 34 has one. We're also granted through the statewide our areas bid for the statewide it's our turn our statewide corrections workshop. we had discussed about doing it virtually versus doing it live even though we were open to it both ways but we're kind of leaning towards virtual. I did contact them prior to the meeting and so we would like to do this virtually this is some of the ideas that we had and statewide corrections committee is excited about us doing it virtually I took that back to the corrections committee today and they agreed that we would do it virtually and that is the tentative date October 8th. I would also appreciate all feedback and ideas so please reach out to me.

How to Contact Us - You may call us at the telephone number listed on the front of this statement.

Updating your contact information - We encourage you to keep your contact information up-to-date. This includes address, email and phone number. If your information has changed, the easiest way to update it is by visiting the Help & Support tab of Online Banking.

Deposit agreement - When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our financial centers.

Electronic transfers: In case of errors or questions about your electronic transfers - If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.

- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calendar days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will provisionally credit your account for the amount you think is in error, so that you will have use of the money during the time it will take to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting other problems - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you and you agree to not make a claim against us, for the problems or unauthorized transactions.
